

Name: Anushka Kanteshwar Bhoyar

Email: anushkabhoyar97@gmail.com

Phone: +91 9518752185

Career Objective

To leverage my knowledge in Artificial Intelligence, Data Science, and Machine Learning to contribute effectively to innovative projects, while continuously learning and developing my technical and leadership skills to excel in the field of technology.

Education

B.Tech in Artificial Intelligence & Data Science

PR Pote Patil College of Engineering & Management, Amravati

(2023 – Present)

Technical Skills

- Programming Languages: Python, C, SQL
- Data Science Tools: Pandas, NumPy, Matplotlib, Scikit-learn
- Machine Learning: Regression, Classification, Time Series Forecasting
- Big Data Tools: Hadoop, Spark (basic exposure)
- Version Control: Git, GitHub

Work Experience

- Data Science Intern
- Assisted senior data scientists in data collection, cleaning, and analysis tasks.
- Wrote Python scripts to automate data extraction from various sources.
- Created dashboards and reports to visualize key performance indicators (KPIs) for internal stakeholders.

Projects

1. Customer Churn Prediction Model

- Developed a machine learning model to predict customer churn for a telecommunications company.
- Cleaned and pre-processed a large dataset of customer usage and demographic data.
- Implemented classification algorithms (Logistic Regression, Random Forest) and evaluated their performance.
- Achieved 92% accuracy and provided insights on factors contributing to customer churn.

2. Stock Price Forecasting with Time Series Analysis

- Built a predictive model to forecast future stock prices using historical data.
- Utilized ARIMA and Prophet models to analyze and predict stock market trends.
- Visualized predicted vs. actual prices to demonstrate model performance.

Certifications

- Fundamentals of Digital Marketing – Google
- AI For Everyone – DeepLearning.AI

Achievements

- Consistently performed well in academics with strong analytical and problem-solving skills.
- Selected project work under Community Engagement Project (CEP): AI Resume Analyzer.

Soft Skills

- Leadership & Teamwork
- Problem Solving
- Communication Skills
- Time Management
